

EFK♦Moen, LLC

Civil Engineering Design

EFK♦Moen is glad to announce the addition of Jeff Church, PE to our senior management staff. Jeff's new role with EFK♦Moen will be as our Construction Services Manager.

Jeff has over 31 years of transportation engineering experience with the Illinois Department of Transportation, in the Construction, Materials, and Studies & Plan Sections; for the last 15 years Jeff served as the Bureau Chief of Project Implementation in District 8. As the Project Implementation Engineer he was in charge of the Construction, Materials, Local Roads, Contract Support and EEO Sections.

Jeff will be happy to assist you in any way he can. Contact information is:
