

Mary C. Lamie will be leaving EFK♦Moen at the end of June 2015. She has been named Executive Director of the Regional Freight District, which is a new freight development agency that will coordinate planning and projects for the St. Louis/Southern Illinois region's freight and shipping infrastructure. This agency falls under the umbrella of the Bi-State Development Agency/Metro, where Mary will be working with John Nations and other regional leaders.

Mary's new contact information at the Regional Freight District will be:
